

COASTGUARD™

Bryant® air conditioners and heat pumps with seacoast protection are built to last.

If you live near the coast, you know how hard salt air can be on mechanical equipment. Bryant coastal cooling products can take tough, salt-air environments with proven CoastGuard™ protection and TuffCoat™ coil coating—all backed by one of the best coastal warranties* in the industry.

✓ Enjoy high-efficiency comfort today with our financing options.

* To the original owner, Bryant models 187BNC, 286BNC, 113ANC and 213ANC are covered by a 5-year seacoast corrosion limited warranty, as well as a 10-year parts limited warranty upon timely registration. The parts limited warranty period is five years if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive a 10-year parts limited warranty period. See warranty certificate at Bryant.com for complete details and restrictions.
